FEATURES

- Standards of IEC, Telcordia

- 60 seconds installation time

- Can be used 3 times

- Low insertion loss

- Compatible with standard SC connectors;

- Field installable, cost effective, user friendly;

- UPC, APC polishing optional;

- No electricity required;

- FTTH cable, fiber optic cable optional;

- Reliable durable and superior optical performance.

SC Fast Connector UPC

SC Fast Connector APC

PRODUCTION DETAILS

Fiber Type	SM/MM
Surface polishing	SC/UPC, SC/APC
Color	Blue, Green
insertion loss	0.3dB
return loss	≥60dB
joint endurance	10Times
Material of shell	ABS
Applications	2.0/3.0 or FTTH patch cord
Fiber Diameter	125um
Tensile Strength	>20N
Lock Strength	0.2dB
Temperature Cycle	0.3dB
Virbration	0.2dB
Temperature	-40°C~+80°C

ORDER INFOMATION

PRODUCT	PART NUMBER
SC Fast Connector UPC	F-FC-SC-UPC
SC Fast Connector APC	F-FC-SC-APC
